

Touring Caravan Collection 2006

Compass 2006 Touring Caravan Collection

Improvements to the way in which we design and manufacture our vehicles and an annual review of all our ranges ensures that our customers receive the very latest components, styling and refinement that are synonymous with Compass touring caravans today. To keep a touring caravan range completely unaltered for a number of years would be to do a disservice to our retailers and owners alike.

Our focus is on continuous improvement.

Whilst the overall look and feel of a particular model range may appear unaltered next to a fully re-upholstered touring caravan with a striking new graphic, the unseen detail and the myriad of new components used across the ranges keep Explorer at the cutting edge of touring caravan design in the UK.

We work in partnership with our supplier and customers alike to design and engineer vehicles that meet the exacting and ever escalating needs of our owners.

To stand still in an ever more demanding market place would be to miss out on endless opportunities and limit our desire to keep our touring caravans 'fresh'.

What's New for 2006

'So Comfortable' Mattress

All fixed double beds in the Compass range now come with a one piece mattress (upholstered in Corona and Omega) and one piece metal bed frame with easy lift gas status. This is designed to give you more comfort and easier access to the under-bed storage area.

Privacy Windows

The new Seitz side and rear privacy windows are exclusive to The Explorer Group in the UK. They allow you to see out, but prevent your neighbours from seeing in. The new windows help to reflect light that damages upholstery and can assist in keeping the interior cooler on the brightest of sunny days.

3 Burner Hob

The new Spinflo 3 burner hob with high speed multifunction burner can accommodate large sauce pans up to 25cm, round and flat bottom woks up to 36cm and frying pans up to 24cm.

Stainless Steel Sink

The Argent stainless steel sink comes complete with a space saving removable drainer.

The sink and the hob covers are made from virtually unbreakable Chinchilla glass; totally hygienic, odour, scratch and stain resistant, and able to withstand hot pans and roasting dishes.

534

534

Corona - Interior Living Space

New green and gold check sprung upholstery complemented by Caprio gold curtains and pelmets give the interior of the Corona a modern, bright and lively feel. Further enhanced with upholstered curtain tiebacks and coordinating gold and green trim scatter cushions.

The internal veneered furniture is made from the new lighter and more distinctive Aswald Ash, whilst all worktops are finished with decorative laminate.

Another simple and practical improvement is the re-design of the occasional table top on the front chest of drawers. Rather than having to remove items from the top of the unit to flip over the table top, it simply slides out from underneath and drops neatly into place (parallel lounge models only).

A new Horrex full door fly screen supplies practically whilst the un-tensioned, easy slide action is a major improvement.

534

556

Compass Corona 2006

Corona is an impressive value for money starter range. For 2006 Corona receives an external and internal fixture and fittings upgrade along with new upholstery and Aswals Ash furniture.

Corona - Exterior Styling

The new modified A-Frame on the BPW Swing V-Tec chassis is the main change to the exterior of the Corona for 2006.

A new A-Frame cover neatly conceals the jockey wheel when retracted and gives a cleaner finish to the front of the caravan. When not in use, the hitch cable plugs fit snugly into the bespoke recessed mouldings on the cover that help protect the pins from the elements.

At the rear of the caravan is a new, brighter, and more highly reflective rear visibility panel to aid night time safety whilst towing.

534

556

The Kitchen

The new Spinflo 3 burner hob with large high speed multi-function burner gives a greater range of options when using larger pans for cooking. Add to this the new Prima Mark3 oven and the cooking of any meal is easily accommodated.

Food preparation is also given a helping hand with the addition of the new space saving sink with with bespoke silver washing up bowl and removable drainer, freeing up more work surface when you need it the most.

Compass Omega 2006

The 2006 Omega is the next step up from Corona and is packed with a host of improvements that give this range a truly modern look.

Omega - Exterior Styling

Black coach lines with updated blue and green wave style graphics give the Omega a contemporary new look.

Omega also benefits from the new modified A-frame and a new easy action handbrake on the BPW Swing V-Tech chassis. The most stunning addition though is the new Seitz privacy side and rear windows.

These not only look fantastic, they also offer a host of benefits including privacy from neighbours, a cooler caravan interior and additional protection from the sunlight for upholstery and curtain fabrics.

540

The Kitchen

The new Spinflo 3 burner hob with large high speed multi-function burner accommodates larger saucepans and even woks. Add to this the new Prima Mrak3 oven and the option of a microwave oven and cooking on site is as easy as at home.

The Argent Stainless steel linen effect sink comes complete with a chopping board and removable drainer that store neatly inside the bespoke silver washing up bowl.

The space saving sink frees up more work surface making meal preparation even easier.

Omega - Interior Styling

The very cosy Delta red and gold 'Poppy' colour scheme of the sprung upholstery remains for 2006. This is a perfectly matched with loose lay terracotta removable carpets with bound edges. This attractive interior is further enhanced with contrasting deep red curtains scatter cushions with accented styling and upholstered tiebacks.

Toronto Maple has been replaced with Aswald Ash internal veneered furniture.

A new full door fly screen supplies practicality whilst the un-tension easy slide action is a major improvement.

524

Compass Rallye 2006

The premium Rallye is the most well-equipped and luxurious of the Compass range and receives a striking new exterior makeover. Despite the top of the range status, and superb looks, the Compass Rallye continues to provide superb value for money.

Rallye - Exterior Styling

Black coach lines with chrome edged graphics, enhanced blue/green wave style graphics and the simply stunning new Seitz privacy windows make the Rallye stand out from the crowd.

Outside you will also find a modified A-frame and a new easy action handbrake on the BPW Swing V-Tech chassis, highly reflective rear visibility panel, heavy duty corner steadies and an exterior gas barbecue point.

The exterior access door opens to reveal a handy 230V output socket, ideal for when you want to watch TV in your awning.

524

524

Rallye - Interior Living Space

Rallye has been given a full make over in the striking new Angelino blue upholstery with sumptuous chocolate brown and cream coordinates. This interior defines what Compass is all about, superb styling, very practical and excellent value for money .

Aswald Ash veneer furniture and wall board give the interior appearance real warmth. Whilst all worktops and occasional table tops, are finished with 'Quartz Evision' decorative laminate. Colour coordinated Remis folding doors replace the heavy solid wood partition doors.

The Kitchen

Prima Mark3 oven and microwave oven are supplied as standard and a simple cooked breakfast to a full evening meal are easily catered for. The Argent stainless steel sink comes complete with a chopping board and removable drainer, as well as a cup, side plate and cutlery drainer that clips onto the Chinchilla glass sink cover.
